

ACCIDENT REPAIRS

6831

(No. 103 December 2003)

All mobile equipment repairs (regardless of cost) resulting from an accident are to be supported by three competitive estimates, including one from an authorized dealer. Estimates must show the date of the accident and the name of the operator of the state unit. Estimates may be prepared either on form [STD 272](#) or a vendor's bid form. For sedans, approval of the Unit Forestry Equipment Manager is required before any repair work can be performed

A copy of each of the three competitive repair estimates shall accompany the subpurchase order for payment (normally the lowest estimate). Payment for other than the lowest estimate will require prior approval of the FEM I. Monetary limits for accident repairs shall be the same as for normal repairs. (Ref: [SAM §4163](#) and Health and Safety Handbook [Section 1718](#).)
